

# Schreuder Sisters 2021

Lieke (9 years) and Iris (7 years) run their pigeon team independently. They are doing amazingly well at it. Dealing with and looking their pigeons is fantastic. They fill in their own ETS, basket their pigeons in the club and Lieke even assists in the club with the electronic processing of the race data.

In terms of achieving good performances, 2021 was an unprecedented year. Not only among the Dutch youth members, but also among the seniors, they reached the highest step of the podium.
